## **FLAT STRAP**

### **Product Benefits**

SteelCon Flat Strap is a multi-purpose product used on a large number of applications and features many benefits:

- Typical uses for flat strapping include backer plate for cabinetry, handrails, shelves and fixtures. May also be used as structural x-bracing in some design thicknesses.
- Available in a wide range of widths
- Stock Lengths of 10 ft
- Available in 25, 20, 18, 16, and 14 gauge

### **Certification**

SteelCon Flat Strap meets or exceeds ASTM C 645 Standard Specification for Nonstructural Steel Framing Members.

### **Storage**

Avoid bending or other damage and store in a dry place protected from moisture.
